

Connecting renewable energy buyers and sellers

26-27 October in Amsterdam

RE-Source

European platform for corporate renewable energy sourcing

2023

26-27 October
Amsterdam

What to expect at RE-Source 2023:

Network with over **1,000 participants**

Learn from and engage **with** senior political and industry speakers

Be a part of **prescheduled B2B meetings** between clean energy buyers and suppliers

Connect with **corporate clean energy buyers**

Organised by:

Strategic partners:

In collaboration with:

More info at: resource-platform.eu

Conference topics include:

- ⬢ Industry electrification;
- ⬢ PPA & regulatory market updates from across Europe;
- ⬢ Impact of new EU regulation for corporate sourcing;
- ⬢ Renewable hydrogen; and
- ⬢ How to talk to your CFO about a PPA.

What are B2B matchmaking sessions?

The B2B Matchmaking meetings at RE-Source provide a unique opportunity for renewable energy buyers and energy suppliers to connect and find new collaboration partners to meet their energy needs. Should you choose to participate, we will organise meetings for you to meet your potential future energy partners.

Reasons to attend RE-Source 2023

- ⬢ **Learn:** Find out how corporate sourcing will transform the way you do business.
- ⬢ **Connect:** Make the contacts you need at our B2B matchmaking meetings, networking lunch, drinks reception, and seated dinner.
- ⬢ **Maximise visibility:** Let the world know about your company's sustainability activities.
